Love & War James Carville,Mary Matalin,2014-01-07 New York Times bestseller Twenty years after the publication of the bestselling All's Fair, James Carville and Mary Matalin look at how they—and America—have changed in the last two decades. James Carville and Mary Matalin have long held the mantle of the nation's most ideologically mismatched and intensely opinionated political couple. In this follow-up to All's Fair, Carville and Matalin pick up the story they began in that groundbreaking bestseller and talk family, faith, love, and politics in their two winning voices. If nothing else, this new collaboration proves that after twenty years of marriage they can still manage to agree on a few things. A fascinating look at the last two decades in American politics and an intimate, quick-witted primer on grown-up relationships and values, Love & War provides unprecedented insight into one of our nation's most intriguing and powerful couples. With their natural charm and sharp intelligence, Carville and Matalin have written undoubtedly the most spirited memoir of the year.

Sunbelt Capitalism Elizabeth Tandy Shermer,2013-02-21 Historian Elizabeth Tandy Shermer examines how Barry Goldwater and elite Phoenix businessmen used policy and federal funds to fashion a postwar business climate, setting off an interstate competition for investment that transformed American politics.

Rainbow at Midnight George Lipsitz,1994 *Rainbow at Midnight* details the origins and evolution of working-class strategies for independence during and after World War II. Arguing that the 1940s may well have been the most revolutionary decade in U.S. history, George Lipsitz combines popular culture, politics, economics, and history to show how war mobilization transformed the working class and how that transformation brought issues of race, gender, and democracy to the forefront of American political culture. This book is a substantially revised and expanded work developed from the author's heralded 1981 *Class and Culture in Cold War America*.

Simply Rich: Life and Lessons from the Cofounder of Amway Rich DeVos,2014-04-01 In this candid autobiography, Amway cofounder Rich DeVos reflects on work, faith, family, and the core values he's held on to, from his humble Christian upbringing through his enormous success running one of the world's largest businesses. Few people embody the American entrepreneurial spirit as plainly as Rich DeVos. A prominent businessman, self-made billionaire, philanthropist, worldwide speaker, bestselling author, family man, and devout Christian, DeVos not only helped create Amway, one of the world's biggest companies, but he did it from the ground up with his deep faith in God guiding the way and keeping his hopes alive. Now after the success of his bestselling books in business, DeVos reveals his personal story. Born to poor Dutch immigrants in rural Michigan during the Depression, DeVos learned about the importance of leadership and partnership. His grandfather, father, and teachers taught him valuable lessons and key principles about faith, optimism, and perseverance that would guide his entire life. In high school, he befriended Jay Van Andel, who later became his business partner. Together, they created a whole new way to sell products and established one of the largest, most successful companies in the world. DeVos also talks about his marriage and family, his experiences as a motivational speaker, his ownership of the NBA

basketball team Orlando Magic, and his philanthropic, religious, and political endeavors. Inspiring, fascinating, and full of heart, *Simply Rich: Life and Lessons from the Cofounder of Amway* is the astonishing rags-to-riches story that few can tell. Through his amazing accomplishments as both a businessman and generous soul, DeVos reveals the true meaning of success and how his deep faith helped him become a true American icon.

An Enterprising Life Jay Van Andel, 1998-09 The first glimpse into the life of a quiet giant, *An Enterprising Life* chronicles the life and times of billionaire entrepreneur Jay Van Andel, a founder of the wildly successful Amway Corporation.-- Together with partner Rich DeVos, Jay Van Andel -- ranked #6 on Forbes magazine's wealthiest persons list -- created Amway, one of the world's largest direct-sales operations.-- With an army of 3 million distributors in 80 countries worldwide, Amway earned \$7 billion in annual sales in 1997, based on the 450 nutrition and wellness, personal care, home care, and commercial products available through Amway catalogs.-- Amway co-founder Rich DeVos's own book, *Compassionate Capitalism* (Dutton, 1994), was a New York Times bestseller. Jay Van Andel has led an extraordinary life, filled with adventure, hardship, faith, and, of course, great success. This autobiography now sheds new light on his life, providing Amway employees and distributors (over 400,000 in North America alone), as well as businesspeople and entrepreneurs, with the story of a great leader whose vision has created a company that goes beyond commercial -- a company that has for decades helped people help themselves.

Promises to Keep Charles Paul Conn, 2008-08-30 Offers answers to questions about Amway - the company that has enabled over a million men and women to chase their dreams.

Inside The Black Vault John Greenwald, Jr., 2019-04-08 The evidence in this book may not ultimately give you the "smoking gun" you are looking for on your journey, but I guarantee it will give you a box of bullets when you find it. In 1996, John Greenwald, Jr. began researching the secret inner workings of the U.S. Government at the age of fifteen. He targeted such agencies as the CIA, FBI, Pentagon, Air Force, Army, Navy, NSA, DIA, and countless others. Greenwald utilized the Freedom of Information Act (FOIA) to gain access to more than two million pages of documents. This archive includes information relating to UFOs, the JFK Assassination, chemical, biological, and nuclear weapons, and top secret aircraft. He took the millions of pages, and over the course of more than two decades, has built an archive known around the world, as *The Black Vault*. *Inside The Black Vault: The Government's UFO Secrets Revealed* takes you on a journey within the secret world of unidentified aerial phenomenon that has plagued the military since at least the 1940s. Declassified records prove that the UFO topic is one of the most highly classified and most elusive subjects the U.S. Government has ever dealt with. Each chapter explores various agencies and their documents, and Greenwald breaks down the meaning of why some of the most important documents are relevant to proving a massive cover-up. Along with declassified documents, Greenwald outlines the struggle it took him to get them. No other topic has proven so difficult, in more than 8,000 FOIA requests that he

has filed. He explores why that might be and meets skeptics and debunkers head on, outlining why some of their more prominent rebuttals for it all cannot be true.

Three Masters: Balzac, Dickens, Dostoevsky Stefan Zweig, 2019-08-16 In these early 20th century literary essays, Stefan Zweig offers a Central European view of the writers he believed to be the “three greatest novelists” of the 19th century: Balzac, Dickens, and Dostoevsky. In Zweig’s view, Balzac set out to emulate his childhood hero Napoleon. Writing 20 hours a day, Balzac’s literary ambition was “tantamount to monomania in its persistence, its intensity, and its concentration.” His characters, each similarly driven by one desperate urge, were more vital to Balzac than people in his daily life. In Zweig’s reading, Dickens embodied Victorian England and its “bourgeois smugness”. His characters aspire to “A few hundred pounds a year, an amiable wife, a dozen children, a well-appointed table and succulent meats to entertain their friends with, a cottage not too far from London, the windows giving a view over the green countryside, a pretty little garden, and a modicum of happiness.” The ideal of middle-class respectability suffuses Dickens’ fiction. Dostoevsky drew on the struggles of his own life to illuminate the contradictions of the human soul. In Zweig’s view, his heroes had no desire to be citizens or ordinary human beings. While Balzac’s heroes “would gladly have subjugated the world, Dostoevsky’s heroes wished to transcend it.”
