**Sonny Boy** Annejet van der Zijl, 2023

**The Boy Between Worlds** Annejet van der Zijl, 2019 From the Amazon Charts bestselling author of *An American Princess* comes the true story of an unconventional family divided by war and prejudice during WWII. When they fell in love in 1928, Rika and Waldemar could not have been more different. She was a thirty-seven-year-old Dutch-born mother, estranged from her husband. He was her immigrant boarder, not yet twenty, and a wealthy Surinamese descendant of slaves. The child they have together, brown skinned and blue eyed, brings the couple great joy yet raises some eyebrows. Until the Nazi occupation of the Netherlands explodes their promising life. What unfolds is more than the astonishing story of a love that prevailed over convention. It's also the quest of a young boy. Through the cruelty of World War II, he will fight for a connection between his father's South American birthplace and his mother's European traditions. Lost and displaced for much of his life, but with a legacy of resilience in his blood, he will struggle to find his place in the world. Moving deftly between personal experience and the devastating machinations of war, *The Boy Between Worlds* is an unforgettable journey of hope, love, and courage in the face of humanity's darkest hour.

*Sonny Boy* Annejet van der Zijl, 2011-06-29 Herfst 1928: een jonge Surinaamse student trekt in Den Haag als kostganger in bij een gescheiden Hollandse vrouw met vier kinderen. Als ze een half jaar later zwanger van hem blijkt, is het schandaal niet te overzien. Maar ondanks armoede en discriminatie slaagt het stel er in de jaren die volgen in een gelukkig en ook voorspoedig bestaan op te bouwen met hun zoontje Waldy, alias Sonny Boy. Dan breekt de Tweede Wereldoorlog uit, en besluiten ze joden in huis te nemen - met alle consequenties van dien.

**Of Mice and Men** John Steinbeck, 2018-11 *Of Mice and Men* es una novela escrita por el autor John Steinbeck. Publicado en 1937, cuenta la historia de George Milton y Lennie Small, dos trabajadores desplazados del rancho migratorio, que se mudan de un lugar a otro en California en busca de nuevas oportunidades de trabajo durante la Gran Depresión en los Estados Unidos.

*Room* Emma Donoghue, 2023-04-06 In this deeply moving and life-affirming tale, a mother must nurture her five-year-old son through an unfathomable situation with only the power of their imagination and their boundless capacity to love. Written for the stage by Academy Award® nominee Emma Donoghue, this unique theatrical adaptation featuring songs and music by

Kathryn Joseph and director Cora Bissett takes audiences on a richly emotional journey told through ingenious stagecraft, powerhouse performances, and heart-stopping storytelling. Room reaffirms our belief in humanity and the astounding resilience of the human spirit. This updated and revised edition was published to coincide with the Broadway premiere in Spring 2023.

*An American Princess* Annejet van der Zijl, 2018 Born to a pioneering family in Upstate New York in the late 1800s, Allene Tew was beautiful, impetuous, and frustrated by the confines of her small hometown. At eighteen, she met Tod Hostetter at a local dance, having no idea that the mercurial charmer she would impulsively wed was heir to one of the wealthiest families in America. But when he died twelve years later, Allene packed her bags for New York City. From the vantage point of the American upper class, Allene embodied the tumultuous Gilded Age. Over the course of four more marriages, she weathered personal tragedies during World War I and the catastrophic financial reversals of the crash of 1929. From the castles and châteaux of Europe, she witnessed the Russian Revolution and became a princess. And from the hopes of a young girl from Jamestown, New York, Allene Tew would become the epitome of both a pursuer and survivor of the American Dream.

*If He Had Been with Me* Laura Nowlin, 2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

**Double Cross** Malorie Blackman, 2009 Just this once . . . Please let me get away with it just this once . . . Tobey wants a better life - for him and his girlfriend Callie Rose. He wants nothing to do with the gangs that rule the world he lives in. But when he's offered the chance to earn some money just for making a few 'deliveries', just this once, would it hurt to say 'yes'? One small decision can change everything . . . The fourth novel in Malorie Blackman's powerful Noughts & Crosses sequence.

**The Day of the Triffids** John Wyndham, 2010-07-01 The classic postapocalyptic thriller with “all the reality of a vividly realized nightmare” (The Times, London). Triffids are odd, interesting little plants that grow in everyone’s garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, *The Day of the Triffids* is a landmark of speculative fiction, and “an outstanding and

entertaining novel” (Library Journal). “A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham so much.” —Ramsey Campbell, author of *The Overnight* “One of my all-time favorite novels. It’s absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery.” —Joe R. Lansdale, author of *Edge of Dark Water*

**Say You Swear** Meagan Brandy, 2024-03-26 Her brother's best friend broke her heart, but what happens when his new teammate wants to put it back together? Arianna Johnson has been dreaming of what college life might bring, and it's finally coming over the horizon as she and her friends plan one last beachside summer together. So much has changed over the years, but there's always been one constant. The boy her heart returns to no matter where her imagination runs: her brother's best friend, Chase. This is the summer she'll finally tell him how she feels. That it's him. It's always been him. Until suddenly, it isn't. Ari's heart is in splinters when she meets star quarterback Noah Riley. His friendship is exactly what she needs after Chase's rejection, but from the start, Noah wants more. Even when their path is blurry, even when tragedy strikes, even when Ari doesn't know her own heart, Noah will fight for the feelings he knows they both have...no matter what it might cost them. They say first love lasts forever. Ari is about to find out if that's really true.

**A Time of Fire** Robert Westall, 2007 In England during World War II, with his mother dead from a German bomb and his father off in training and action but keeping him informed by letter, Sonny tries to understand the darkest truths of war and retribution.

**Greenlights** Matthew McConaughey, 2020-10-20 From the Academy Award®-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call 'catching greenlights.' So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and

laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights-and to realising that the yellows and reds eventually turn green too. Good luck.

**I Walked the Line** Vivian Cash,2008-09-04 When Johnny Cash died in September 2003, the world mourned the loss of the greatest country music star of all time. I Walked the Line is the life story of Vivian Cash, Johnny's first wife and the mother of his four daughters. It is a tale of long-kept secrets, lies revealed, betrayal and, at last, the truth. Johnny and Vivian were married for nearly fourteen years. These years spanned Johnny's military service in Germany, his earliest musical inclinations, their struggling newlywed years, Johnny's first record deal with Sun Records (alongside Elvis Presley), his astounding rise to stardom, and his well-known battles with pills and the law. Vivian decided that, near the end of her life and with backing from Johnny, she should tell the whole story, even the parts at odds with the iconic Cash family image such as Johnny's drug problems; Vivian's confrontation with June Carter about her affair with Johnny and, most sensationally, the Cash family secret of June's lifelong addiction to drugs and the events leading up to her death. Also revealed are unpublished love letters between the couple, family photographs and artefacts. I Walked the Line is a powerful memoir of joy and happiness, injustice and triumph and is an essential read for all Cash fans.

**In The Pleasure Groove** John Taylor,2012-09-13 With Duran Duran, John Taylor has created some of the greatest songs of our time. From the disco dazzle of debut single 'Planet Earth' right up to their latest number one album All You Need is Now, Duran Duran has always had the power to sweep the world onto its feet. It's been a ride - and for John in particular, the ride has been wild, thrilling... and dangerous. Now, for the first time, he tells his incredible story - a tale of dreams fulfilled, lessons learned and demons conquered. A shy only child, Nigel John Taylor wasn't an obvious candidate for pop stardom and frenzied girl panic. But when he ditched his first name and picked up a bass guitar, everything changed. John formed Duran Duran with his friend Nick Rhodes in the spring of 1978, and they were soon joined by Roger Taylor, then Andy Taylor and finally Simon Le Bon. Together they were an immediate, massive global success story, their pictures on millions of walls, every single a worldwide hit. In his frank, compelling autobiography, John recounts the highs - hanging out with icons like Bowie, Warhol and even James Bond; dating Vogue models and driving fast cars - all the while playing hard with the band he loved. But he faced tough battles ahead - troubles that brought him to the brink of self-destruction - before turning his life around. Told with humour, honesty and hard-won wisdom, and packed with exclusive pictures, In the Pleasure Groove is a fascinating, irresistible portrait of a man who danced into the fire... and came through the other side.

**Fing's War** Benny Lindelauf,2019 Follows teenaged Fing Boon and her large, impoverished, eccentric family as they navigate the changes World War II visits upon their little town on the border of the Netherlands and Germany.

Hell's Angels Yves Lavigne,2000-08-01 Hell's Angels: Taking Care of Business is the ground-breaking book that launched Yves Lavigne's investigative series into the Hell's Angels. This book traces the growth of the Hell's Angels organization from the early, rowdy club to the insidious, far-reaching superstructure that now exists. Today's Angels still value the grinning death's head, but they keep it for funerals, runs, initiations, and laying heavies. Angels, like the undercover policemen who tail them, prefer street clothes to blend with their surroundings. In a world of drugs, prostitution and pornography, the shadow the Angels' wings falls on all of us. Hell's Angels: Taking care of Business is a fascinating and startling read.

The Two Hearts Of Kwasi Boachi Arthur Japin,2010-04-27 In 1837, two young African princes arrive at the court of Willem I in the Netherlands. They have been given to the Dutch by the King of the Ashanti as surety in a deal over illegal slave trading. The two boys think they have been sent to acquire a European education, but time passes. They forget their native language and become exiles. Treated as curiosities by white people, their friendship suffers and their paths diverge. Years later, as the twentieth century dawns, the elderly Kwasi, now owner of a coffee plantation in Java, sits down to write his autobiography. Based on a true story, The Two Hearts of Kwasi Boachi is both a brilliant piece of storytelling and a moving portrayal of the search for identity and belonging.

**Project X** Jim Shepard, 2007-12-18 In the wilderness of junior high, Edwin Hanratty is at the bottom of the food chain. His teachers find him a nuisance. His fellow students consider him prey. And although his parents are not oblivious to his troubles, they can't quite bring themselves to fathom the ruthless forces that demoralize him daily. Sharing in these schoolyard indignities is his only friend, Flake. Branded together as misfits, their fury simmers quietly in the hallways, classrooms, and at home, until an unthinkable idea offers them a spectacular and terrifying release. From Jim Shepard, one of the most enduring and influential novelists writing today, comes an unflinching look into the heart and soul of adolescence. Tender and horrifying, prescient and moving, Project X will not easily be forgotten.
