

The Westies Inside New Yorks Irish Mob Paperback

T. J. English

The Westies T.J. English, 2016-01-14 Even among the Mob, the Westies were feared. Out of a partnership between two sadistic thugs - James Coonan and Mickey Featherstone - the gang dominated the decaying slice of New York City's West Side known as Hell's Kitchen in the 1970s and '80s. Excelling in extortion, numbers running, loansharking and drug-peddling, they became the most notorious gang in the history of organized crime. The then prosecutor Rudolf Giuliani called them 'the most savage organisation in the long history of New York street gangs'. Upping the ante on brutality and depravity, their speciality when it came to punishment and killings was dismemberment. Their reign lasted almost twenty - their end would come as their own violent natures got the best of them and precipitated a downfall as infamous as their rise. This revised and updated edition, brings the story of the Westies up to date with 'where are they now' snapshots of the men - and women - of the Westies.

The Corporation T. J. English, 2018-03-20 "A mob saga that has it all—brotherhood and betrayal, swaggering power and glittering success, and a Godfather whose reach seems utterly unrivaled. What a relentless, irresistible read." —Don Winslow, New York Times bestselling author of *The Border* A fascinating, cinematic, multigenerational history of the Cuban mob in the US from America's top chronicler of organized crime* and New York Times bestselling author of *Havana Nocturne*. By the mid 1980s, the criminal underworld in the United States had become an ethnic polyglot; one of the most powerful illicit organizations was none other than the Cuban mob. Known on both sides of the law as the Corporation, the Cuban mob's power stemmed from a criminal culture embedded in south Florida's exile community—those who had been chased from the island by Castro's revolution and planned to overthrow the Marxist dictator and reclaim their nation. An epic story of gangsters, drugs, violence, sex, and murder rooted in the streets, *The Corporation* reveals how an entire generation of political exiles, refugees, racketeers, corrupt cops, hitmen, and their wives and girlfriends became caught up in an American saga of desperation and empire building. T. J. English interweaves the voices of insiders speaking openly for the first time with a trove of investigative material he has gathered over many decades to tell the story of this successful criminal enterprise, setting it against the larger backdrop of revolution, exile, and ethnicity that makes it one of the great American gangster stories that has been overlooked—until now. Drawing on the detailed reporting and impressive volume of evidence that drive his bestselling works, English offers a riveting, in-depth look at this powerful and sordid crime organization and its

hold in the US.

Born to Kill T. J. English, 2011-11-15 The “riveting” true story of the Vietnamese gang that terrorized Manhattan’s Chinatown, from the New York Times–bestselling author of *The Westies* (Newsday). They are children of the Vietnam War. Born and raised in the wasteland left by American bombs and napalm, these young men know a particular brand of cruelty—which they are about to export to the United States. When the Vietnamese gangs come to Chinatown, they adopt a name remembered from GI’s helmets: “Born to Kill.” And kill they do, in a frenzy of violence that shocks even the old-school Chinese gangsters who once ran Canal Street. Killing brings them turf, money, and power, but also draws the government’s eye. Even as *Born to Kill* reaches its height, it is marked for destruction. This story is told from the perspective of Tinh Ngo, a young gang member who eventually grows disenchanted with murder and death. When he decides to inform on his brothers to the police, he enters a shadow world far more dangerous than any gangland.

Havana Nocturne T J English, 2016-06-13 An award-winning journalist and historian offers the complete story of how the Mob infiltrated Havana in the 1950s, made a fortune--and lost it all to Fidel Castro. 16-page b&w photo insert.

Deal with the Devil Peter Lance, 2013-07-02 In *Deal with the Devil*, five-time Emmy Award–winning investigative reporter Peter Lance draws on three decades of once-secret FBI files to tell the definitive story of Greg Scarpa Sr., a Mafia capo who “stopped counting” after fifty murders, while secretly betraying the Colombo crime family as a Top Echelon FBI informant. Lance traces Scarpa’s shadowy relationship with the FBI all the way back to 1960, when his debriefings went straight to J. Edgar Hoover. In forty-two years of murder and racketeering, Scarpa served only thirty days in jail thanks to his secret relationship with the Feds. This is the untold story that will rewrite Mafia history as we know it—a page-turning work of journalism that reads like a Scorsese film. *Deal with the Devil* includes more than 130 illustrations, crime scene photos, and never-before-seen FBI documents.

Paddy Whacked T. J. English, 2009-10-13 Here is the shocking true saga of the Irish American mob. In *Paddy Whacked*, bestselling author and organized crime expert T. J. English brings to life nearly two centuries of Irish American gangsterism, which spawned such unforgettable characters as Mike King Mike McDonald, Chicago’s subterranean godfather; Big Bill Dwyer, New York’s most notorious rumrunner during Prohibition; Mickey Featherstone, troubled Vietnam vet turned Westies gang leader; and James Whitey Bulger, the ruthless and untouchable Southie legend. Stretching from the earliest New York and New Orleans street wars through decades of bootlegging scams, union strikes, gang wars, and FBI investigations, *Paddy Whacked* is a riveting tour de force that restores the Irish American gangster to his rightful preeminent place in our criminal history -- and penetrates to the heart of the American experience.

Black Mass Dick Lehr, Gerard O’Neill, 2015-03-05 One FBI Agent. One Boston Gangster. One Deal. The greatest and bloodiest story of corruption ever told. James ‘Whitey’ Bulger and John Connolly grew up together on the tough streets of

South Boston. Decades later in the mid-1970s, they met again. By then, Connolly was a major figure in the FBI's Boston office and Whitey had become godfather of the Irish Mob. Connolly had an idea, a scheme that might bring Bulger into the FBI fold and John Connolly into the Bureau's big leagues. But Bulger had other plans. *Black Mass* is the chilling true story of what happened between them - a dark deal that spiralled out of control, leading to drug dealing, racketeering and murder. From the award-winning journalistic pair Dick Lehr and Gerard O'Neill comes a true-crime classic which takes the reader deep undercover, exposing one of the worst scandals in FBI history.

Kill the Dutchman! ,2015-03-07 On Oct, 23, 1935, a rusty, steel-jacketed .45 slug tore through the body of 33-year-old Dutch Schultz, the Beer Baron of The Bronx who reaped \$2 million a month as king of Harlem's numbers racket. It was no accident. The Dutchman had gone too far, having threatened to murder Thomas E. Dewey-the racket's prosecutor who'd drawn up the tax indictment against him. The result was the biggest gangland execution since the 1929 St. Valentine's Day Massacre in Al Capone's Chicago. In this 1930s real-life whodunit set in the Prohibition era, legendary New York newspaperman Paul Sann investigates the meteoric rise of gangster Dutch Schultz (born Arthur Flegenheimer), mean-streaked bully, alleged killer and reader of books, tracking the blood-flecked story from the Lower East Side and Bronx sidewalks, to Broadway night spots, lavish Park Avenue penthouses and, ultimately, to City Hall-along the way uncovering the truces and alliances among politicians, police, unions and racketeers. But Schultz didn't die instantly, lingering over a day, a police stenographer at his bedside recording his every word. Dutch's surrealistic, Joycean stream-of-consciousness deathbed ramblings are reproduced here in full and Sann explores the meaning of the poetic jumble of some of his last words: I am a pretty good pretzeler [sic], Please crack down on the Chinaman's friends and Hitler's commander, and his most majestic utterance, Mother is the best bet and don't let Satan draw you too fast.

Murder Machine Gene Mustain,Jerry Capeci,2011 Meet the DeMeo gang - the most deadly killers the Mafia has ever known.They started out as a small-time Brooklyn corner crew, but once the killing started it didn't stop. They became the hitmen of choice for their Mafia bosses, who came to know, use, and ultimately to fear them. They would kill for profit and pleasure, cold-blooded plans and sudden violent whim. Now thanks to to the personal revelations of one of the key players, the inside story of these mafia serial killers can be told in all its astonishing detail.'A murderous crew that every wisequy in New York was afraid of... compelling and authoritative' - Nicholas Pileggi, author of *Goodfellas*

The Corpse Had a Familiar Face Edna Buchanan,2004-05-25 This classic by the Pulitzer Prize-winning author is her nonfiction masterpiece--a tale of life and death on Miami's streets, which she covered for 18 years for The Miami Herald. Reissue.

The Savage City T.J. English,2011-04-07 It was a time of hope and desperation, a time of reckoning . . . In the early 1960s, the Mad Men era, a mood of menace gripped New York City. The crime rate was growing and violence was becoming

a daily reality for citizens in every neighbourhood. At the centre of the unrest was a poisonous divide between two camps: the deeply corrupt and racist police of the era and the African American community. Then, on 28 August 1963 - the day on which Martin Luther King Jr stood on the steps of the Lincoln Memorial and declared, 'I have a dream' - two young white women were murdered in their Manhattan apartment. The killings struck fear through the city and ignited a ten-year saga of racial violence and unrest. An epic true-life story of murder, injustice and defiance, *The Savage City* draws on interviews with participants and extensive research to tell the stories of three very different New Yorkers - an innocent man wrongly accused of murder, a corrupt cop and a militant Black Panther - and to explore this traumatic decade in the city's history.

Where the Bodies Were Buried T. J. English, 2015-09-15 The New York Times bestselling author of *The Westies* and *Paddy Whacked* offers a front-row seat at the trial of Whitey Bulger, and an intimate view of the world of organized crime—and law enforcement—that made him the defining Irish American gangster. For sixteen years, Whitey Bulger eluded the long reach of the law. For decades one of the most dangerous men in America, Bulger—the brother of influential Massachusetts senator Billy Bulger—was often romanticized as a Robin Hood-like thief and protector. While he was functioning as the de facto mob boss of New England, Bulger was also serving as a Top Echelon informant for the FBI, covertly feeding local prosecutors information about other mob figures—while using their cover to cleverly eliminate his rivals, reinforce his own power, and protect himself from prosecution. Then, in 2011, he was arrested in southern California and returned to Boston, where he was tried and convicted of racketeering and murder. Our greatest chronicler of the Irish mob in America, T. J. English covered the trial at close range—by day in the courtroom, but also, on nights and weekends, interviewing Bulger's associates as well as lawyers, former federal agents, and even members of the jury in the backyards and barrooms of Whitey's world. In *Where the Bodies Were Buried*, he offers a startlingly revisionist account of Bulger's story—and of the decades-long culture of collusion between the Feds and the Irish and Italian mob factions that have ruled New England since the 1970s, when a fateful deal left the FBI fatally compromised. English offers an authoritative look at Bulger's own understanding of his relationship with the FBI and his alleged immunity deal, and illuminates how gangsterism, politics, and law enforcement have continued to be intertwined in Boston. As complex, harrowing, and human as a Scorsese film, *Where the Bodies Were Buried* is the last word on a reign of terror that many feared would never end.

Whitey's Payback T.J. English, 2013-06-10 James 'Whitey Bulger is the last of the old-fashioned gangsters. A polished, sophisticated psychopath, Bulger's Boston reign of fear lasted 20 years - he was second only to Osama bin Laden on the FBI's most wanted list. Captured after 16 years in hiding, he now sits in a maximum security prison awaiting trial on racketeering charges and 19 counts of murder. But Bulger will have his payback: at trial he has promised to lift the lid a toxic conspiracy of federal agents, cops, judges and politicians that helped enforce his rule. Combining first-rate reporting and the storytelling of a novelist, T.J. English has been writing about men like Bulger for over two decades. Here, in addition to coming face to

face with Whitey, you'll discover hitman Joseph 'Mad Dog' Sullivan's favoured assassination method, you'll meet Eric Vassel, the Jamaican rudeboy who took on the Italian mob, you'll travel deep into the Mexican/American narcosphere as English takes his readers on a bloody but fascinating journey to the dark side of the American Dream.

Tears and Tiers Gail W. Sullivan, 2006 *Tears & Tiers* is both a touching and disturbing fifty year mosaic depicting the Life & Times of Joseph Mad Dog Sullivan, Bank Robber, Escape Artist (the only man to escape the infamous Attica prison) and notorious Hitman. While this never boring saga delves into his youthful years and forty-five years in prison to date, a hideous portrait of life within the walls. It also touches on his involvement with some past icons of our times such as Frank Sinatra, Jimmy Hoffa, and another Fat Tony Salerno, Boss of New York's Genovese crime family. Written by Gail Sullivan his wife of over thirty years, while a great read Sullivan's life as such is not one you would wish upon anyone you hold dear.

The Sixth Family Adrian Humphreys, Lee Lamothe, 2014-07-08 The definitive book about the explosive Rizzuto crime family On May 5, 1981, three rebellious members of New York's Bonanno crime family were gunned down in a Brooklyn social club. One of the gunmen was Vito Rizzuto, a man who would rise to the top of the underworld in Canada and then expand his reign across continents to become a global superboss. *The Sixth Family*, now revised and updated, reveals the hidden history of the rise of the Rizzuto clan, the alliances it forged around the world and the bloody events that led to charges against Vito Rizzuto in the United States and Italy for racketeering and corruption. As police in the United States, Italy and Canada meticulously pieced together the puzzle that is Vito Rizzuto, established notions about the nature of authority within the Mafia were called into question. Who was this so-called "John Gotti of Canada"? How did he become one of the biggest names in global crime? And how did he survive the deadly assault from gangland rivals that almost destroyed his family?

The Story We Carry in Our Bones Juilene Osborne-McKnight, 2020-01-07 More than forty million Americans claim Irish ancestry. This lively book explains how and why they got to the U.S. and shows how their history made them who they are. From prehistoric Ireland to Irish schools in America, this well-illustrated book provides an essential overview of the ties between the Emerald Isle and the New World.--

Old Bones and Shallow Graves T. J. English, 2005 Here is the shocking, true saga of the Irish-American mob, from the mid-nineteenth century all the way to the present day. History shows that the heritage of the Irish-American gangster was established in America long before that of the more widely portrayed Italian American Mafioso and has held strong through the modern age. In fact, the highest-ranking organised crime figure on the FBI's Ten Most Wanted List - alongside Osama bin Laden - is an old-style Irish-American mob boss from South Boston. In *Paddy Whacked*, bestselling author and organised crime expert T.J. English brings to life nearly two centuries of Irish-American gangsterism, which spawned such unforgettable characters as Mike 'King Mike' McDonald, Chicago's subterranean godfather; Big Bill Dwyer, New York's most

notorious rumrunner during Prohibition; Mickey Featherstone, troubled Vietnam vet turned Westies gang leader from Hell's Kitchen; and James 'Whitey' Bulger, the ruthless and untouchable Southie legend. This is an epic story of corrupt politics, wanton murders, gambling empires, notorious brothels, tough women and hard-drinking pugilists from the underbelly of America's most dangerous cities. never-before-published material, English presents a riveting, seamless cultural history of the Irish-American underworld. He offers a brilliant portrait of a people who fought tooth and nail for a better life from the moment they arrived in America, whether it meant taking charge within the realms of law enforcement and politics or capitalising on what opportunities they could in the darker world beyond the law. Paddy Whacked is an irresistible tour of the undercarriage of American history - a ride that stretches from the earliest New York and New Orleans street wars through decades of bootlegging scams, union strikes, gang wars and FBI investigations... and along the way deepens our understanding of the American experience.

Angela's Ashes Frank McCourt, 1999-05-25 A memoir about childhood, resilience, and the triumphant power of storytelling.--From back cover.

Brutal Kevin Weeks, Phyllis Karas, 2009-03-17 I grew up in the Old Colony housing project in South Boston and became partners with James Whitey Bulger, who I always called Jimmy. Jimmy and I, we were unstoppable. We took what we wanted. And we made people disappear—permanently. We made millions. And if someone ratted us out, we killed him. We were not nice guys. I found out that Jimmy had been an FBI informant in 1999, and my life was never the same. When the feds finally got me, I was faced with something Jimmy would have killed me for—cooperating with the authorities. I pled guilty to twenty-nine counts, including five murders. I went away for five and a half years. I was brutally honest on the witness stand, and this book is brutally honest, too; the brutal truth that was never before told. How could it? Only three people could tell the true story. With one on the run and one in jail for life, it falls on me.

Dock Boss Neil G. Clark, 2017 At a time when New York City's booming waterfront industry was ruled by lawless criminals, one gangster towered above the rest and secretly controlled the docks for over thirty years. Dock Boss explores the rise of Eddie McGrath from a Depression Era thug to the preeminent racketeer on Manhattan's lucrative waterfront. McGrath's life takes readers on a journey through the tail-end of Prohibition, the sordid years of violent gang rule on the bustling waterfront, and finally the decline of the dock mobsters following a period of longshoremen rebellion in the 1950s.

This is likewise one of the factors by obtaining the soft documents of this **The Westies Inside New York's Irish Mob Paperback** by online. The Westies Inside New Yorks Irish Mob Paperback Introduction

In todays digital age, the availability of The Westies Inside New Yorks Irish Mob Paperback books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Westies Inside New Yorks Irish Mob Paperback books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Westies Inside New Yorks Irish Mob Paperback books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Westies Inside New Yorks Irish Mob Paperback versions,

you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Westies Inside New Yorks Irish Mob Paperback books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly

practical for studying or referencing. When it comes to accessing The Westies Inside New Yorks Irish Mob Paperback books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Westies Inside New Yorks Irish Mob Paperback books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Westies Inside New Yorks Irish Mob Paperback books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for

continuous learning and self-improvement. So why not take advantage of the vast world of The Westies Inside New Yorks Irish Mob Paperback books and manuals for download and embark on your journey of knowledge?

FAQs About The Westies Inside New Yorks Irish Mob Paperback Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer,

tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Westies Inside New Yorks Irish Mob Paperback is one of the best book in our library for free trial. We provide copy of The Westies Inside New Yorks Irish Mob Paperback in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Westies Inside New Yorks Irish Mob Paperback . Where to download The Westies Inside New Yorks Irish Mob Paperback online for free? Are you looking for The Westies Inside New Yorks Irish Mob Paperback PDF? This is definitely going to save you time and cash in something you should think about.
