Diary of a Mighty Ender Dragon Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Mark Mulle, 2016-01-31 GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: A Dragon in the Overworld The Ender Dragon is known as the fearless creature that inhabits the deep and dark world of The End. But what most players may not know is that the Dragon lives a very lonely and boring life in his realm. After anxiously waiting for any player to come and face him in a final battle, the Dragon got tired and asked for his friends, the Endermen, to check the Overworld for him and see what the players were doing. To his surprise, the Endermen returned without any information on the players - in fact, the Endermen told the Dragon the players had disappeared from the Overworld. Desperate with this new revelation, the Dragon decided to go to the Overworld himself to check things and find the missing players - and even save them, in case they were in trouble, so that they could one day battle against the Dragon. After getting teleported to the Overworld with some help from his fellow friends Endermen, the Dragon is now on a quest where the regular roles have been inverted - it's the Dragon who is looking for the players, and not the other way around. What happened to the humans from this world? What led to their disappearance? And who is behind it? Book 2: The Reverse Dragon The mighty Ender Dragon left The End after being teleported by his friends, the Endermen. He set off on a mission to look for the location of the players, after hearing from his Endermen that the players had suddenly disappeared. In his journey in the Overworld, the Dragon met two humans, Jack and Anna. The couple agreed to help the Dragon in finding the remaining survivors, and on their brave mission they found a mysterious Witch who possessed an amazing ability: the power to predict the future. With this ability, the Witch foresaw the human's location, but she was not able to tell with certainty where they were. The Dragon and his two human friends managed to solve the riddle and found the human's location: the Nether. After successfully saving the humans and returning to the Overworld, the Dragon was shocked with a revelation: there was a second Dragon in the world, and he was being helped by a group of Endermen. Now, the Ender Dragon will need the help from Anna and Jack once again, and even the survivors will have to lend them a hand in their new quest. They need to find out why there is another Dragon in the world. Why did he take the humans to the Nether with the help of the Endermen? What are his plans? And why does he exist after all? Book 3: Dragon Versus Dragon Anna, Jack, the survivors and the Ender Dragon are in deep trouble. After setting out on their quest to find the Reverse Dragon and his Endermen, they discovered more about his malefic plans: the Reverse Dragon is after secret ingredients which are scattered all over the world. These ingredients form the Uncraftable Potion, a powerful and unique item that can grant its holder fantastic powers.

With this potion, the Reverse Dragon could finally defeat the Ender Dragon, becoming the only Dragon of the world and getting rid of all remaining creatures. The Reverse Dragon managed to capture the Witch and she was forced to show him the exact location of the first ingredient. Now, the Reverse Dragon is looking for the remaining two ingredients, which can only be found by their own guards, who are the two other Witches. What kind of magical powers do the other Witches possess? What can one achieve with the Uncraftable Potion? And what will be of the world if the Reverse Dragon puts his paws on it? At this point, a battle between the two Dragons is inevitable, and the winner will be defined by the one who gets to the potion first. Author's Note: This short story is for your reading pleasure. Minecraft: The Dragon Nicky Drayden, 2021-07-06 Take flight with the ender dragon in this official Minecraft novel! When a desert town is threatened by illager raids, a young adventurer turns to a newborn dragon to save her home. Zetta is the best potion-maker in the village of Sienna Dunes. Okay, maybe she's the only potion-maker in the village of Sienna Dunes. And maybe her potions don't exactly work like they're supposed to all the time. But when her village is menaced by a pack of illagers, only Zetta can see that the traditional ways won't keep Sienna Dunes safe anymore. Zetta journeys to her eccentric aunt's workshop outside town to search for an answer and finds a lot more than she bargained for. A mysterious egg hatches into a scaly creature with purple eyes, black wings, and poisonous breath. It can't possibly be the mythical ender dragon . . . can it? And if it is, can Zetta raise it to be the savior her village needs? The threat of the illagers is growing fast, and Zetta's accidental dragon is growing even faster. With the help of her two best friends and her daydreaming little cousin, Zetta must train the scariest (and scaliest) baby in the Overworld.
