

Christ And Culture By H Richard Niebuhr Danisaore

Joshua Leonard Daniel

H. Richard Niebuhr Donald W. Shriver,2009 Summarizes Niebuhr's faith journey as seen through the lens of his major works

The Theology of H. Richard Niebuhr L. A. Hoedemaker,1970 A revision of the author's thesis entitled: Faith in total life, Utrecht, 1966.

H. Richard Niebuhr Donald W. Shriver JR.,2009-09-01 Abingdon Pillars of Theology is a series for the college and seminary classroom designed to help students grasp the basic and necessary facts, influence, and significance of major theologians. Written by noted scholars, these books will outline the context, methodology, organizing principles, primary contributions, and key writings of people who have shaped theology as we know it today. Dr. Donald Shriver tells us that H. Richard Niebuhr wrote about God in a serious yet joyous exploration. This book summarizes Niebuhr's faith journey as seen through the lens of his major works. While Niebuhr did mean to move his readers to think, struggle, argue, and even pray, he expected nothing less from himself. It is the hope of the author that by reading this book, readers will be better prepared to travel a path of their own.

The Transformation of Culture Charles Scriven,1988

To See the Kingdom James W. Fowler,2001-03-02

The Paradox of Church and World Jon Diefenthaler,2015-11-01 "Ultimately," or so H. Richard Niebuhr wrote as early as 1929, "the problem of church and world involves us in a paradox; unless the church accommodates itself to the world, it becomes sterile inwardly and outwardly; unless it transcends the world, it becomes indistinguishable from the world and loses its effectiveness no less surely." In the same context he went on to state: "The rhythm of approach and withdrawal need not be like the swinging of the pendulum, mere repetition without progress; it may be more like the rhythm of the waves that wash upon the beach; each succeeding wave advances a little farther into the world with its cleansing gospel before that gospel becomes sullied with the earth." Niebuhr's thought on the paradox of church and world is an essential piece of our understanding of twentieth-century theology in America. In this volume, Jon Diefenthaler collects for the first time over forty writings that trace the lineage of Niebuhr's thought, presents them in a single place, and makes a case for their enduring value in a post-church religious environment. The volume is a treasury of little-known and hard-to-find pieces, making

scholarship and understanding easier.

Theology, History, and Culture Helmut Richard Niebuhr, 1998-02-17 This text brings together the best of the unpublished works of one of the outstanding American religious thinkers of the 20th century. These selected letters, sermons and essays show the breadth of H. Richard Niebuhr's interests and reveal his concern with integrating theology with practice.

The Promise of H. Richard Niebuhr John D. Godsey, 1970

H. Richard Niebuhr Jon Diefenthaler, 1986

Transforming Faith Joshua Leonard Daniel, 2015-09-09 In the face of apparently rampant individualism, there has been a steady call for a return to community and tradition, particularly in religious communities and in recent Christian theology and ethics. The form of contemporary life upheld by modern ideals like freedom and universalism, the story goes, turns out to divide people from each other and from the communal sources of our traditionally moral values. But the call to community too often confuses individualism with individuality, assuming that any appeal to individuality as a value or ideal is a rejection of communal goods, rather than a mode of promoting those goods. What's necessary now is a recovery of the individual that understands individuality to serve community, even in resistance to it. In *Transforming Faith*, Joshua Daniel offers a fresh reading of H. Richard Niebuhr's theological ethics that provides an account of individuality and individual creativity as both the fruits and reformers of community. What is theologically at stake in Daniel's reconstructive interpretation is the human's existentially resonant relation with God and the christological revitalization of our symbolic and virtuous activity.

The Niebuhr Brothers for Armchair Theologians Scott R. Paeth, 2013-12-23 This volume offers a compelling introduction to the life, times, and theological thought of H. Richard and Reinhold Niebuhr--the two most important American theologians of the twentieth century. Although the Niebuhr brothers shared the same heritage and experienced many of the same formative moments, their thought diverged at key points as their lives and careers developed. Scott R. Paeth's expert introduction to the Niebuhr brothers explores this history and the enduring influence of the Niebuhrs on religious and political thought. This lively introduction, which includes witty illustrations from Ron Hill, is an essential resource for understanding these enduring theological figures.

H. Richard Niebuhr Lonnie D. Kliever, 1991

Reinhold Niebuhr Richard Crouter, 2010-07-08 A primer on the current Niebuhr revival of the political left and right, this book traces the significance of Reinhold Niebuhr's thought for secular as well as deeply Christian minds. Placed in the context of religious and cultural history, Niebuhr's theological views deepen and challenge contemporary expertise on issues of war, peace, economic, and personal security. While rejecting cynical pessimism and naive optimism, Niebuhr's Christian realism reinvigorates age-old teachings of the Bible, St. Paul, Augustine, and Kierkegaard. His thought enriches present-day debates between science and religion and between atheists, agnostics, and believers. To live with Niebuhr's legacy is to

combine critical acumen with humble self-awareness. It is to pursue a larger common good - for him, God-given - that is shared among individuals, nations, and the world community.

God the Center of Value C. David Grant,1984

The Paradox of Church and World Helmut Richard Niebuhr,Jon Diefenthaler,2015 Ultimately, wrote H. Richard Niebuhr in 1929, the problem of church and world involves us in a paradox; unless the church accommodates itself to the world it becomes sterile inwardly and outwardly; unless it transcends the world it becomes indistinguishable from the world and loses its effectiveness no less surely. Niebuhr's thought on the paradox of church and world is an essential piece of twentieth-century theology. Jon Diefenthaler collects over forty of Niebuhr's writings on the topic and makes a case for their enduring value in a post-church religious environment.

The Ethics and Social Philosophy of Reinhold Niebuhr Kenneth Clinton Bailey,1951

Reinhold Niebuhr and Christian Realism Robin W. Lovin,1995-01-26 A new and penetrating assessment of the work of the twentieth century's best known public theologian.

Reinhold Niebuhr Richard Wightman Fox,1985 Leven en werk van de Amerikaanse theoloog Reinhold Niebuhr (1892-1971).

Eventually, you will extremely discover a further experience and deed by spending more cash. nevertheless when? reach you agree to that you require to get those all needs taking into consideration having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more concerning the globe, experience, some places, like history, amusement, and a lot more?

It is your extremely own become old to pretense reviewing habit. among guides you could enjoy now is **Christ And Culture By H Richard Niebuhr Danisaore** below.
