You Suck at Racing Ian Korf, 2016-05-12 A lot of books on driving are written by professional racers who assume you too want to be a professional racer. Not this book. It's written by a hobbyist who suggests you keep your day job. Besides, it's much more fun being an enthusiastic amateur than a jaded professional (just ask someone in the sex industry). This book is designed to help the average driver make the transition from commuter to safe road racer in as few pages as possible. I wrote this book because it's what I would have wanted to read when I first became interested in track driving: succinct, nerdy, practical, and occasionally diverting. It is not intended as a definitive tome or a work of art. It's more like a sandwich: convenient and nourishing.

**The Black Three** Gene Skipworth, 2022-02-15 Prior to the mid-sixties, Grayville, TN was one of twenty-four sundown towns. A sundown town was a town that had a sign on the outskirts of town that said, Negroes are not allowed in the city limits after sundown. Very few blacks lived in Grayville. Grayville High School seldom had black students. In August of 2020,

a black doctor moved to Grayville. He moved from Weston, Ohio to be near his adopting white parents who lived in the Homeland Retirement Center in Pleasant Hill. Grayville never had a black basketball player, now it has three. The doctor has three sons. Joseph is a 6' 9 senior and his twin brothers, Samuel and David both 6' 6 juniors. The three brothers took Weston to the Ohio State basketball championship. Cox County youth grew up to have a culturally absorbed prejudice. That is what the three black players encountered.
