Macbeth ,

The Third Witch Rebecca Reisert, 2002-03-02 Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

Sonnets William Shakespeare, 2014-12-16 Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. Hamlet Translated Into Modern English William Shakespeare, S.J. Hills, 2020-05-22 Now You Too Can Understand Shakespeare. Modern English side-by-side with original text includes study notes and stage directions. For the first time collected in one volume, Shakespeare's original play side-by-side with an accurate line-by-line modern English translation, along with stage directions, study notes and historical facts to aid understanding. The original innuendos, political satire, puns and bawdy humour are retained, bringing the work to life for scholars, students, actors prepping for a performance, or lovers of the work to enjoy today without flicking back and forth for lengthy explanations. Additional study notes by former QI researcher and translation verified by historical consultant to the BBC and major movie companies. As an eight year old boy, S.J. Hills read the first part of a simplified version of Macbeth in a children's comic. He rushed to the library to finish the story only to learn he couldn't understand the original work. So began a lifelong dream of making Shakespeare understandable for all, down to the smallest detail, enlisting the help of the world's most renowned researchers from BBC TV series, QI, to aid

him. Please note - this work may not be suitable for readers under 12 years old due to bawdy innuendo. See also *Macbeth* Translated, *Romeo and Juliet* Translated and *A Midsummer Night's Dream* by SJ Hills.

The Taming of the Shrew William Shakespeare,2023-05-03 In the Italian city of Padua, a young gentleman named Lucentio comes to study at one of the city's colleges. As is often the fate of men in Shakespeare's plays, Lucentio falls in love at first sight. The object of his affection, Bianca, is the beautiful and docile daughter of a rich merchant. Her father, Baptista Minola, has declared that no one can marry Bianca until her older sister Katharina has been married first. Katharina is the polar opposite of her sister: vicious, foul-tempered, sharp-tongued, and stubborn. Any man in her vicinity is at risk of receiving her brutal insults and physical attacks. It's no surprise that no man wants to marry her—or that's what she believes, until an equally difficult man named Petruchio arrives in Padua. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition.

Heart of Darkness Joseph Conrad, 2023-11-21 *Heart of Darkness* is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country - even though this man wasn't named Kurtz. The goal and enigma of the journey have become synonymous with this name, one of the most unforgettable fictional characters of our time. JOSEPH CONRAD [1857-1924] was born in Ukraine to Polish parents, went to sea at the age of seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella *Heart of Darkness* [1899], adapted into a film by Francis Ford Coppola in 1979 as *Apocalypse Now*.
