

The Secret Of Rhonda Byrne Or The Law Of Attraction In The Bible

Ben David

The Secret of Rhonda Byrne Or the Law of Attraction in the Bible Ben David,2007-03-17 The Secret of Rhonda Byrne or The Law of Attraction is not a new concept. In fact, it isn't a secret at all. The law of attraction was first promulgated by some of the earliest wise men, and it appears again and again throughout the Bible. But very few people have learned or understood it. That's why it's unfamiliar to many and the reason it remains virtually a secret. If you were to ask one man after another what the secret of success is, you probably wouldn't run into one man who could tell you. Yet, this information is enormously valuable to us, if we really understand and apply it. It's valuable to us not only for our own lives, but for the lives of those around us - our families, employees, associates and friends. The principles of the Secret - the principles of success, appear again and again throughout the Bible, if you only look carefully. CONTENTS: One Great Law, Believe, Your right to be rich, Prayer, Visualization, The Power of Words, As a man thinketh, Gratitude, Desire, As Ye Sow, So Shall Ye Reap, Mental Healings in the Bible

The Secret Rhonda Byrne,2011-07-07 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

There is More to the Secret Ed Gungor,2007-05-27 Is it possible to believe in both God and the law of attraction? Isn't this all just some New Age, power of the mind thing? If the law of attraction works, why isn't it in the Bible - or is it? Questions like these are being asked by people around the world after reading the best-selling book, The Secret. According to the law of attraction, you can have virtually anything desired if your mind is trained to put out continual thoughts to attract it into your life. In this deeply compelling work, Ed Gungor seeks to establish a more complete and accurate representation of the power of the mind by explaining the role that God plays in the equation. This book is not written to attack but rather to examine what the author believes is misguided advice while still speaking to the heart-felt need that is causing so many to explore this ancient practice. Some of his views may surprise you. There is more to the story that must be told.

Intellectual Warfare Todd William,2018-02-09 A hundred-thousand years ago one of the biggest differences between humans and the rest of the animal kingdom was that we were better at catching them than they were at catching us. Today things have changed...somewhat. Thinking is easy. Anyone can think. What's important is thinking intelligently. The problem is that a battle for our minds is taking place, and most people don't even notice. We're influenced from the news, social gatherings, what we read, what we are told, and what everyone else is thinking. Salespeople, marketers, and politicians know thousands of ways to push our minds in one direction or another. The result is that society is littered with people who retain beliefs they cannot explain for reasons they do not know. What you think matters. People fight for their beliefs, defend them, and in some cases even die for them. Lesser minds might be content with easy answers and poorly thought out explanations. But if you seek a strong mind, you first must ensure that you are capable of overcoming the elements that influence the way you think. Intellectual Warfare is designed to equip you with the tools necessary to win the battle for your mind. The book spans a host of topics ranging from the human ego, natural biases, cognitive illusions, and an entire section on the weapons

of persuasion constantly attacking your thought process. Aimed at anyone seeking to improve their intellect, this book will ensure you are making the most of your mind.

Thought Forms Annie Besant, C. W. Leadbeater, 2015-05-20 What do ideas look like? This clairvoyant view of the shape, color, and atmospheric effect of mental energy includes black-and-white drawings and color plates to convey a graphic representation of the power of thought. Prominent Theosophists Annie Besant and C. W. Leadbeater were pioneers in asserting that thoughts are, indeed, things. Originally released in 1901, *Thought-Forms* is a seminal work on what thoughts "look" like. It had an impact far beyond the circle of its primary readers and greatly influenced leading artists such as Piet Mondrian and Wassily Kandinsky. Simple in style and clearly written, *Thought Forms* is a classic of the Theosophical

tradition that has as much to say in our own day as it did a century ago. It lucidly sets forth a way to conceive of the invisible realms within and around us, with implications both for how we view the world and how we act in it. Discussion includes the meaning of color, thought forms built by music, and the nature of helpful thoughts. Based on the authors' clairvoyant vision, its illustrations suggest the form thoughts take in relation, for instance, to anger, fear, intellect, sympathy, devotion, and a meditative state. Annie Besant herself describes the book's purpose as being to "serve as a striking moral lesson to every reader, making him realize the nature and power of his thoughts, acting as a stimulus to the noble and a curb to the base. With this belief and hope we send it on its way."

God's Secret Law Of Attraction Ryan Hicks, Many professing Christians have experienced misery, failure, and needless suffering because God's Secret Law of Attraction has been ignored by most churches. Some have even taught their followers to use the Law of Attraction against themselves by ignoring plain verses about the goodness and generosity of the Lord. In this powerful book, you will learn the Scriptural teaching of Law of Attraction and how to use it wisely for the betterment of you and those you may encounter.

Jack Canfield's Key to Living the Law of Attraction Jack Canfield, D. D. Watkins, 2007-12-03 Long before co-creating the bestselling Chicken Soup for the Soul series, Jack Canfield was already teaching the ancient principles of the Law of Attraction. Canfield has been consciously living in harmony with this universal law for more than thirty years, and his personal success is a testament to its power. Now, in Jack Canfield's Key to Living the Law of Attraction, he shares his knowledge and experience with you and offers you his proven tools and techniques for applying the Law of Attraction in your own life. This book is a simple 'how to' guide for using the Law of Attraction to create the life you desire. Within these pages, Canfield clearly explains not only what you need to know, but what you need to do in order to attract what you want in your life. Jack Canfield's Key to Living the Law of Attraction addresses the important issues of clarity, purpose, and action. This thought-provoking guide will take you step by step through the processes of defining your dreams, goals, and desires. Along the way, you will gain a greater understanding of yourself—a sense of who you really are and why you are here. Your journey begins right here, right now. You can change your life, increase your awareness, and empower yourself to create an amazing future—one that is filled with love, joy, and abundance. This book is your key.

How The Secret Changed My Life Rhonda Byrne, 2016-10-04 Since the very first publication of *The Secret* a decade ago, Rhonda Byrne's bestselling book has brought forth an explosion of real people sharing real stories of how their lives have miraculously changed for the better. *How The Secret Changed My Life* presents a selection of the most heartwarming and moving stories in one inspirational volume. Each story provides an authentic, real-life illustration of the pathway that leads to success in every area of life: money, health, relationships, love, family and career. The Secret Things of God Dr. Henry Cloud, 2014-05-22 The phenomenal bestseller, *The Secret*, tapped into a spiritual hunger present in our society, revealing the Law of Attraction as a way to improve your life and find harmony with universal energies. Dr Cloud builds on these ideas by offering a positive Christian interpretation of the thinking found in that book. By comparing ideas and concepts in *The Secret* with biblical scripture, he points readers to the Creator of the universe as the source of all power, offering twenty spiritual truths that hold within them the secrets of happiness, relationships and purpose. Yet even among those who claim a Christian faith, these truths often lie dormant and untapped within the soul. *The Secret Things of God* will help readers unlock the secret treasures God has for them, and gives guidance on how to activate these truths in our lives.

The Magic Rhonda Byrne, 2012-03-06 One word changes everything... For more than twenty centuries, words within a sacred text have mystified, confused, and been misunderstood by almost all who read them. Only a very few people through history have realised that the words are a riddle, and that once you solve the riddle—once you uncover the mystery—a new world will appear before your eyes. In *The Magic*, Rhonda Byrne reveals this life-changing knowledge to the world. Then, on an incredible 28-day journey, she teaches you how to apply this knowledge in your everyday life. No matter who you are, no matter where you are, no matter what your current circumstances, *The Magic* is going to change your entire life!

The Law of Happiness Dr. Henry Cloud, 2011-01-06 Since the beginning of time, people have searched for happiness and have amassed many and varied opinions on how it is found. Only recently has empirical science devoted extensive research to questions such as: Is happiness within our control? What role does God play in making people happy? How do I close the gap between where I want? Drawing from the latest scientific and psychological research on the quest for happiness, *The Law of Happiness* reveals that the spiritual truths of the Bible hold the secrets to the happiness we desire. As Dr Henry Cloud unpacks these universal, eternal principles, he reveals that true happiness is not about circumstances, physical health, financial success, or even about the people in our lives. In other words, it's not about the factors that are frequently beyond our control. Rather, happiness is found in choosing to become the kind of people God created us to be. With chapter titles like 'Happy People Connect', 'Happy People Are Envy-Free' and 'Happy People Forgive', Dr Cloud shows just how happiness is achieved as he sets readers on a pathway of spiritual transformation that connects them with the God of the universe. With these new tools, readers will discover that their relationships, their careers and their inner selves are infused with the joy they've been seeking.
