China's Presence in the Middle East Anoushiravan Ehteshami, Niv Horesh, 2017-12-04 Chinese President Xi Jinping's "One Belt, One Road" (OBOR) vision, heralded as an attempt to revive the pre-modern Silk Route, is intended to strengthen West Asia's economic links with China through ambitious infrastructural projects. Central to this are fast-track rail links, funded by the newly-established Asia Infrastructure and Investment Bank (AIIB), which has its headquarters in Beijing. This book explores the implications of OBOR and the AIIB for the Middle East/West Asia, and addresses a number of key strategic questions arising from China's new initiatives. These include: how far are the strategic imperatives underpinning China's policies connected to the political dynamics of Xinjiang and the spread of radical Islam in Central Asia? How are Middle Eastern stakeholders' views of China affected by the new initiatives? How does China's increasing involvement in the Middle East/West Asia affect other regional powers with ambitions in the region, notably Russia? The book also considers the impact of China's increasing presence on individual countries, including Saudi Arabia and Israel.

Making a Muslim S. Akbar Zaidi, 2021-09-30 Using primarily Urdu sources from the nineteenth century, this book allows us to rethink notions of 'the Muslim', in its numerous, complex and often contradictory forms, which emerged in colonial North India after 1857. Allowing the self-representation of Muslimness and its manifestations to emerge, it contrasts how the colonial British 'made Muslims' very differently compared to how the community envisaged themselves. A key argument made here contests the general sense of the narrative of lamentation, decay, decline, and a sense of self-pity and ruination, by proposing a different condition, that of zillat, a condition which gave rise to much self-reflection resulting in action, even if it was in the form of writing and expression. By questioning how and when a Muslim community emerged in colonial India, the book unsettles the teleological explanation of the Partition of India and the making of Pakistan.

Don't Give the Enemy a Seat at Your Table Louie Giglio,2021-05-11 Louie Giglio helps you find encouragement, hope, and strength in the midst of any valley as you reject the enemy voices of fear, rage, lust, insecurity, anxiety, despair, temptation, or defeat. Scripture is clear: the Enemy is a liar who will stop at nothing to tempt you into poor decisions and self-defeating mindsets, making you feel afraid, angry, anxious, or defeated. It is all too easy for Satan to weasel his way into a seat at the table intended for only you and your King. But you can fight back. Don't Give the Enemy a Seat at Your Table outlines the ways to overcome those lies so you can find peace and security in any challenging circumstance or situation. With the same bold, exciting approach to Scripture as employed in Goliath Must Fall and his other previous works, pastor Louie Giglio examines Psalm 23 in fresh ways, highlighting verse 5: You prepare a table before me in the presence of my enemies. You can find freedom from insecurity, temptation, and defeat--if you allow Jesus, the Shepherd, to lead the battle for your mind

and heart. This spiritual warfare book for those who are leery of spiritual warfare books will resonate with Louie's core Passion tribe as well as with Christians of all ages who want to live a triumphant life in God.

Atlas of the Qur'an ,2003 This Atlas is new in its subject, a subject that has not been touched before. It helps whoever recites the Qur'an or studies it to specify the locations mentioned by the Noble Verses, and to mark those places of ancient people mentioned in the Qur'an. This is besides locating areas where the incidents of the prophetic Seerah occurred. Eventually the diligent reader will easily recognize those places, learn about them, and take heed of them while reciting. Eventually the diligent reader will easily recognize those places, learn about them, and take heed of them while reciting. The Atlas has also revealed obscure places we used to pass through inattentively, like the site where Nuh's Ark settled, the site of the curved Sand-hills {Al Ahqah}, the cave of the young faithful men, the houses of median, the site of Sodom and other places determined by the Atlas depending on reliable sources. Thus the Atlas eliminates all the guessing and the fantasies we used to encounter when reciting the Noble Quran, and takes us to the specific place.

Islamic Beliefs for All Imam Muhammad Imam Muhammad Shirazi,2017-10-07 No religion has been oppressed like Islam has: it has been repressed by its own people through their ignorance, and it has been repressed by its enemies by their injustice amongst its followers it is distant and in its homeland it is foreign.The start of this defense is through the pen and

the spread of the word. So the pens must start moving, and words of the mouth must spread, and the conscience must awaken. For the manifestation of Islamic Beliefs for All Islam are its basic harmonious beliefs and principles, its prophet-hood and leadership, its politics and organizations, its justice and wisdom, its religion and its government, and it being presented and offered to the people; then it is up to them to take up the offer or refuse it: ^ . . . that those who died might die after clear Sign (had been given), and those who lived might live after a Clear Sign (had been given) In my role I present in this paper a brief outline of the Islamic belief, which is the foundation, in the light of the Qur'an, the Hadith (the Tradition), and reason as I see it as my obligatory duty, and Allah is the helper.
