*A Treatise of Legal Philosophy and General Jurisprudence* Enrico Pattaro, Corrado Roversi, 2016-07-13 *A Treatise of Legal Philosophy and General Jurisprudence* is the first-ever multivolume treatment of the issues in legal philosophy and general jurisprudence, from both a theoretical and a historical perspective. The work is aimed at jurists as well as legal and practical philosophers. Edited by the renowned theorist Enrico Pattaro and his team, this book is a classical reference work that would be of great interest to legal and practical philosophers as well as to jurists and legal scholar at all levels. The work is divided in two parts. The theoretical part (published in 2005), consisting of five volumes, covers the main topics of the contemporary debate; the historical part, consisting of six volumes (Volumes 6-8 published in 2007; Volumes 9 and 10, published in 2009; Volume 11 published in 2011 and Volume 12 forthcoming in 2016), accounts for the development of legal thought from ancient Greek times through the twentieth century. Volume 12 *Legal Philosophy in the Twentieth Century: The Civil Law World* Volume 12 of *A Treatise of Legal Philosophy and General Jurisprudence*, titled *Legal Philosophy in the Twentieth Century: The Civil-Law World*, functions as a complement to Gerald Postema's volume 11 (titled *Legal Philosophy in the Twentieth Century: The Common Law World*), and it offers the first comprehensive account of the complex development that legal philosophy has undergone in continental Europe and Latin America since 1900. In this volume, leading international scholars from the different language areas making up the civil-law world give an account of the way legal philosophy has evolved in these areas in the 20th century, the outcome being an overall mosaic of civil-law legal philosophy in this arc of time. Further, specialists in the field describe the development that legal philosophy has undergone in the 20th century by focusing on three of its main subjects—namely, legal positivism, natural-law theory, and the theory of legal reasoning—and discussing the different conceptions that have been put forward under these labels. The layout of the volume is meant to frame historical analysis with a view to the contemporary theoretical debate, thus completing the *Treatise* in keeping with its overall methodological aim, namely, that of combining history and theory as a necessary means by which to provide a comprehensive account of jurisprudential thinking.

**The Harlequin** Laurell K. Hamilton, 2010-02-04 'They will play with us, then destroy us... They are what we fear in the dark.' The first warning is unexpected, calculated. The second warning is a gift: a plain white mask, carefully wrapped. But white is good - white means we are only being watched. It seems the power that connects me, Anita Blake, with Jean-Claude

Vampire Master of the City and Richard, leader of the werewolves, is attracting very unwelcome attention - from creatures so feared no vampire will willingly speak their name. They are known as the Harlequin, and they have the authority to pass judgement upon me. It is forbidden to speak of the Harlequin unless you've been contacted. And to be contacted is to face a sentence of death.

*The Killing Dance* Laurell K. Hamilton,2010-02-04 'These days my life is a cross between a preternatural soap opera and an action-adventure movie.' The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to wonder if two monsters are better than one...

*Wounded* Laurell K. Hamilton,2016-12-06 Be proud of Life's battle scars, it means you were stronger than whatever hurt you, and you didn't die—and Anita Blake, Vampire Hunter and U.S. Marshal will be the first to show you hers in this sweet and sexy story of celebration and connection from #1 New York Times bestselling author Laurell K. Hamilton. Anita attends the wedding of her close friend but finds that even on the happiest of days there are wounds that need healing. She and the wereleopards Micah and Nathaniel are asked to talk to the bride's thirteen-year-old brother, Tomas, who is struggling to recover from a recent gunshot wound. Depressed and demoralized, Tomas isn't doing his physical therapy and could spend the rest of his life in a wheelchair... How can Anita, Micah, and Nathaniel convince Tomas that he can heal when he's given up? They tell him about their own scars and how they took back their own lives after they were wounded. And Anita will realize how lucky they are to have not only survived their pasts, but to now be able to make their own formal commitment to each other— and the vampire in her life... Includes an excerpt of the new Anita Blake hardcover, *Crimson Death*. Praise for the Anita Blake, Vampire Hunter series "Hamilton remains one of the most inventive and exciting writers in the paranormal field."—#1 New York Times bestselling author Charlaine Harris "If you've never read this series, I highly recommend/strongly suggest having the Anita Blake experience. Vampires, zombies, and shifters, oh my! And trust me, these are not your daughter's vampires."—Literati Book Reviews

**Guilty Pleasures** Laurell K. Hamilton,2009-09-17 'I don't date vampires. I kill them.' My name is Anita Blake. Vampires call me the Executioner. What I call them isn't repeatable. Ever since the Supreme Court granted the undead equal rights, most people think vampires are just ordinary folks with fangs. I know better. I've seen their victims. I carry the scars ... But now a serial killer is murdering vampires - and the most powerful bloodsucker in town wants me to find the killer.

Bloody Bones Laurell K. Hamilton,2010-02-04 'When the monsters are involved, it's never just one dead body. One way or another the dead multiply.' First, there were the dead in the graveyard, two hundred years dead. I'd been hired to raise them

to settle a dispute over who owned the land they were buried in. Then there were the three dead teenagers in the woods, slaughtered in a way I'd never seen before. And then they found the dead girl, drained of blood and left in her bed. I knew what that meant of course. It didn't take a degree in preternatural studies to figure out that something was wrong. And I was right in the middle of it. My name is Anita Blake. Welcome to my life ...

Jason Laurell K. Hamilton,2014-12-02 Enjoying pain with your pleasure is something you either get, or you don't. If you get it, then you don't really need it explained, because you know how good it feels, and if you don't get it then no amount of talking is going to convince you it makes sense. But sometimes you have to explain the unexplainable, especially if the love of your life needs to understand, or she'll leave you. Jason Schuyler is one of Anita Blake's best friends and favorite werewolves, with benefits. J.J. is his lady love, an old flame from childhood who dances at one of the top ballet companies in New York. She's accomplished, beautiful, and she's crazy about him, too. Neither of them wants to be monogamous, so what could go wrong? J.J. is enthusiastically bisexual, with an emphasis on the female side of things. She plans to keep sleeping with women, because Jason can't meet that need, just like she can't meet Jason's need for rough sex and bondage. J.J. doesn't understand why Jason isn't content to go elsewhere for a need she can't fulfil, so Jason asks Anita to help him explain. Anita is having her own relationship growing pains with her only female lover ever, Jade. Jason suggests that J.J. might be able to help Anita with her girl problem, while she helps him with his kinky explanations. With some encouragement from a few other lovers in Anita's life she reluctantly agrees, and J. J. makes plans to fly into town for an experience that none of them will ever forget.

*Affliction* Laura Hall,2021-07-13 In 1937, at the age of nineteen, Ralph Hall, suicidal, revealed his sexual orientation to his grandmother, knowing she would comfort him. He was out for three years afterwards, until an indiscretion sent him back into the closet. At twenty-four, while in the army, he met and married Irene. The couple made their home on the San Francisco Peninsula and had four children. Ralph was an attentive husband and father—albeit with an intense interest in interior design, flower arranging, and fine objects—and a diligent worker who rose to payroll accountant at Standard Oil. It wasn't until 1975 that Ralph came out to his middle daughter, Laura, telling her that he had once considered his sexuality an aberration, an affliction. She was shocked, as the possibility her father might be gay had never crossed her mind. Irene had known Ralph's secret for eighteen years, but the two remained married until she died. It was only then that this charismatic man and devoted father, by now in his eighties, could freely express his authentic, gay self. Here, Laura paints a vivid and honest portrait of her beloved father and the effect his secret had on her own life.

The Undead and Theology Kim Paffenroth,John W. Morehead,2012-09-21 The academy and pop culture alike recognize the great symbolic and teaching value of the undead, whether vampires, zombies, or other undead or living-dead creatures. This has been explored variously from critiques of consumerism and racism, through explorations of gender and sexuality, to

consideration of the breakdown of the nuclear family. Most academic examinations of the undead have been undertaken from the perspectives of philosophy and political theory, but another important avenue of exploration comes through theology. Through the vampire, the zombie, the Golem, and Cenobites, contributors address a variety of theological issues by way of critical reflection on the divine and the sacred in popular culture through film, television, graphic novels, and literature.

Skin Trade Laurell K. Hamilton,2009-09-17 Once you tell someone certain things, like, say, you got mailed a human head in a box, they tend to think you're crazy. Anita Blake's reputation has taken some hits. Not on the work front, where she has the highest kill count of all the legal vampire executioners in the country, but on the personal front. No one seems to trust a woman who sleeps with the monsters. Still, when a vampire serial killer sends her a head from Las Vegas, Anita has to warn Sin City's local authorities what they're dealing with. Only it's worse than she thought. Several officers and one executioner have been slain - paranormal style... Anita heads to Las Vegas, where she's joined by three other federal marshals, including the ruthless Edward hiding behind his mild-mannered persona. It's a good thing Edward always has her back, because, when she gets close to the bodies, Anita senses tiger too strongly to ignore it. The were-tigers are very powerful in Las Vegas, which means the odds of her rubbing someone important the wrong way just got a lot higher...

**Flirt** Laurell K. Hamilton,2010-02-02 Anita Blake has been asked to raise the dead-but the results aren't going to make everybody happy...

Dead Ice Laurell K. Hamilton,2015-06-04 Sunday Times and New York Times bestselling author Laurell K. Hamilton returns with another addictive adventure featuring vampire-hunting heroine Anita Blake, to thrill fans of Charlaine Harris and Anne Rice. My name is Anita Blake and I have the highest kill count of any vampire executioner in the country. I'm a U.S. Marshal who can raise zombies with the best of them. But ever since master vampire Jean-Claude and I went public with our engagement, all I am to anyone and everyone is Jean-Claude's fiancée. It's wreaking havoc with my reputation as a hard ass - to some extent. Luckily, in professional circles, I'm still the go-to expert for zombie issues. And right now, the FBI is having one hell of a zombie issue. Someone is producing zombie porn. I've seen my share of freaky undead fetishes, so this shouldn't bother me. But the women being victimised aren't just mindless, rotting corpses. Their souls are trapped behind their eyes, signalling voodoo of the blackest kind. It's the sort of case that can leave a mark on a person. And my own soul may not survive unscathed . . .

Beauty (An Anita Blake, Vampire Hunter, Sexy Outtake eSpecial) Laurell K. Hamilton,2012-05-08 An exclusive sexy outtake chapter from KISS THE DEAD, a novel in Laurell K. Hamilton's Sunday Times bestselling Anita Blake, Vampire Hunter, series. You'd think I'd get used to seeing such a beautiful man and knowing he was mine, but it never grew old, as if his beauty and the fact that he was mine, and I was his, would forever surprise me. With a vampire like Jean-Claude around, it's far too easy for me, Anita Blake, to doubt my own appearance - and the hold it has on those who love me. But one hot tub

and two incredibly sexy men - Jean-Claude and Asher - will make me feel like the most lusted-after woman alive ...or undead. Not bad for a mere human ...

Sucker Punch Laurell K. Hamilton,2020-08-04 A brutal murder, a suspect in jail, and an execution planned—but what if the wrong person is about to be killed? When a fellow U.S. Marshal asks Anita Blake to fly to a tiny community in Michigan’s Upper Peninsula on an emergency consult, she knows time is running short. When she arrives, there is plenty of proof that a young werewolf killed his uncle in the most gruesome and bloody way possible. As the mounting evidence points to him, a warrant of execution is already under way. But something seems off about the murder, and Anita has been asked for her expert opinion on the crime scene. Despite escalating pressure from local cops and the family’s cries for justice for their dead patriarch, Anita quickly realizes that the evidence doesn’t quite add up. Time is against Anita, as the tight-knit community is up in arms and its fear of supernaturals is growing. She races to uncover the truth and determine whether the Marshals have caught the killer or are about to execute an innocent man—all in the name of justice.

**The Leaving** Tara Altebrando,2016-06-08 Eleven years ago, six five-year-olds went missing without a trace. After all this time, the people left behind have moved on, or tried to. Until today. Now five of those kids are back. They’re sixteen, and they are ... fine. Scarlett comes home and finds a mother she barely recognises, and doesn't really know who she's supposed to be, either. But she remembers Lucas. Lucas remembers Scarlett, too, but they can't recall where they've been or what happened to them. Neither of them remember the sixth victim, Max. He doesn't come back and everyone wants answers. Addictive and unforgettable, *The Leaving* seethes with rich characters, tense storytelling and high stakes.
