Jeremy Schaap

Cinderella Man Jeremy Schaap, 2012-07-27 New York Times Bestseller: This true Depression-era story of a down-and-out fighter's dramatic comeback is "a delight" (David Halberstam). James J. Braddock was a once promising light heavyweight. But a string of losses in the ring and a broken right hand happened to coincide with the Great Crash of 1929—and Braddock was forced to labor on the docks of Hoboken. Only his manager, Joe Gould, still believed in him. Gould looked out for the burly, quiet Irishman, finding matches for Braddock to help him feed his wife and children. Together, they were about to stage the greatest comeback in fighting history. Within twelve months, Braddock went from being on the relief rolls to facing heavyweight champion Max Baer, renowned for having allegedly killed two men in the ring. A brash Jewish boxer from the West Coast, Baer was heavily favored—but Braddock carried the hopes and dreams of the working class on his shoulders, and when he emerged victorious against all odds, the shock was palpable—and the cheers were deafening. In the wake of his surprise win, Damon Runyon dubbed him "Cinderella Man." Against the gritty backdrop of the 1930s, Cinderella Man brings this dramatic all-American story to life, telling a classic David and Goliath tale that transcends the sport. "A punchy read with touches of humor." —The New York Times "A wonderful, thrilling boxing story, and simultaneously a meticulous look at Depression life." —Jimmy Breslin

One day he gets the chance to fight again and amazingly he wins, and he continues to win against other opponents. Then he meets his greatest challenge -- world champion, Max Baer, a man who has already killed two men in the ring

Consumer Behavior Analysis Donald A. Hantula,Victoria K. Wells,2014-01-21 Consumption is the primary economic activity in our post-industrial society. We are consumers, not producers. Consumer behavior analysis is leading heterodox marketing scholarship and innovative applied behavioral work, with much to offer both constituencies. This volume shows how consumer behavior analysis fits within a larger-scale approach to marketing, consumer psychology, behavior analysis and organizational behavior management. Describing both theoretical analyses and empirical studies including laboratory experiments in e-commerce, in-store experiments in grocery shopping, and an analysis of the counterfeit goods market, this book is a working example of translational research. It contains tools and studies to help understand contemporary consumer behavior, particularly for those in marketing. Scholars will appreciate the theory and real-world applications evident in each chapter when considering their own research direction. All students of marketing theory, behavior analysis and consumer choice will find this collection a thought-provoking tool for further understanding of a new behavioral approach to marketing strategy, consumer decisions and marketing firms. This book comprises articles originally published in the Journal of Organizational Behavior Management.

Lost Storytellers John Pendygraft,2022-09-27 Community journalism in the era of clickbait An incisive and firsthand look at the landscape of community news today, Lost Storytellers argues that the decline of local journalism threatens the future of democracy. Award-winning photojournalist John Pendygraft asks: How did Americans lose trust in the media, and how can their local newsrooms earn it back? Pendygraft uses his own experiences at Florida's largest newspaper, the Tampa Bay Times, to illustrate why trusted local reporting matters more than ever in the era of "fake news," clickbait, conspiracy theories, and social media. Through interviews with his colleagues, the history of his own paper, journeys into the evolutionary psychology of storytelling, and examples of the ways multinational media conglomerates hook readers on news cycles of chaos and crisis, Pendygraft argues that community journalists can reclaim their roles as local storytellers—and that the public good demands that they try. Lost Storytellers offers insights for all who feel confused about the media, politics, and the well-being of their communities in the information age.
